

Ultimate Raise Instructions

Your group will be given the QR code, custom web address and the link to the general seller.

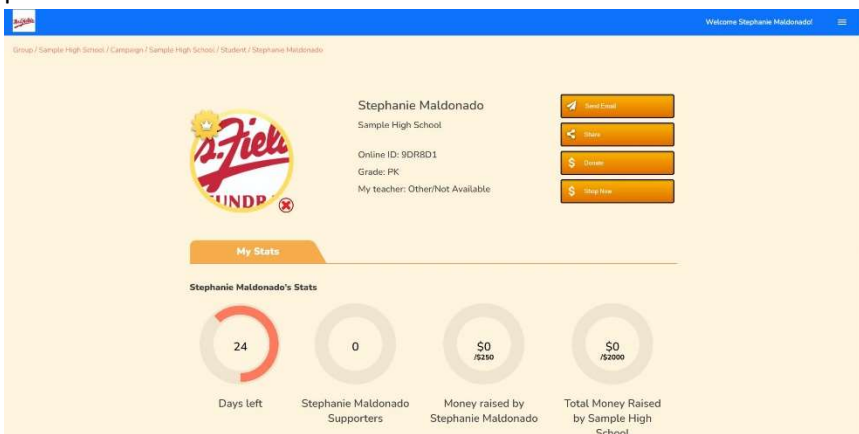

Please share with your sellers your QR code and custom web address. The sellers will when need to register. Sellers will click on the red register button.

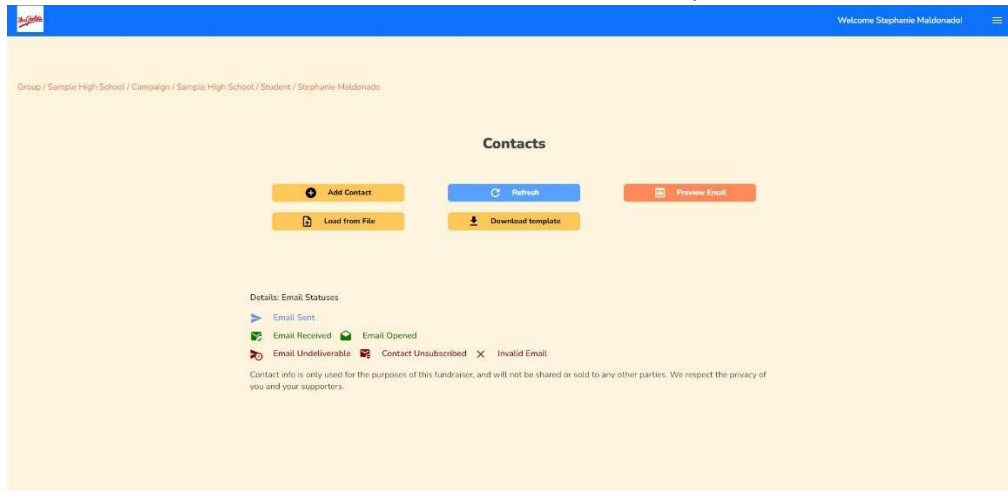

Once the seller registers, they will receive an email with a custom code the can share with family and friends.

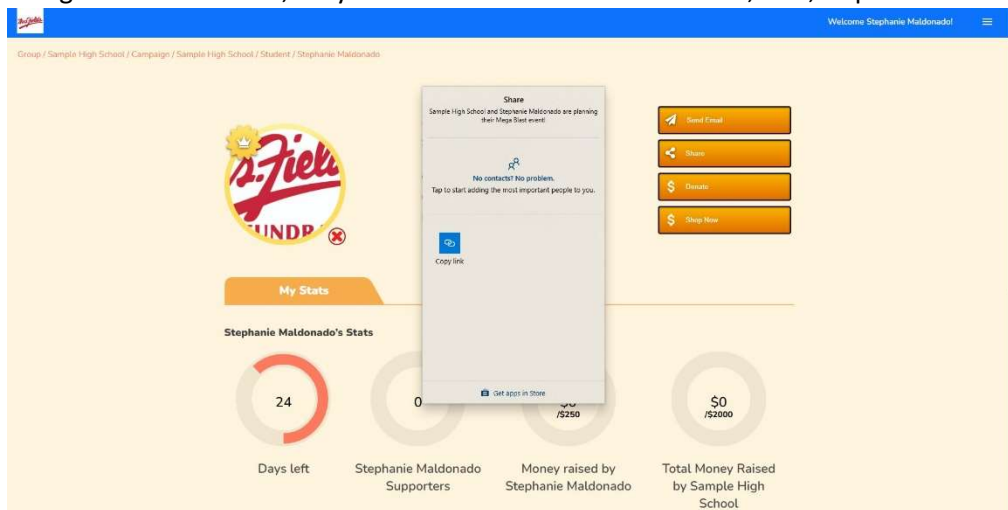

The seller will see the following page when they login. From this screen the seller can share the sale and see how many purchases have been made.

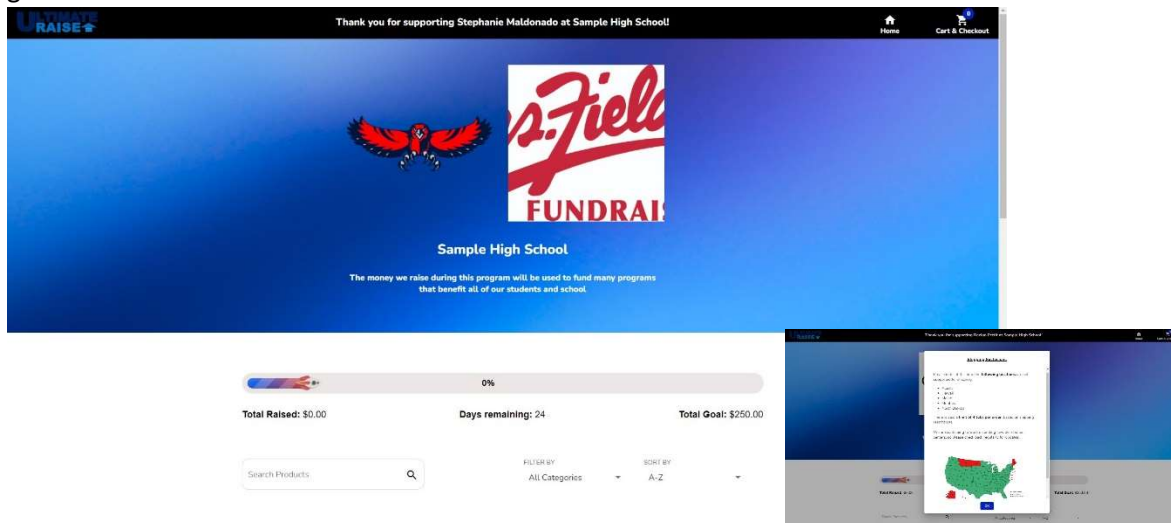

Click on send email to add contacts to the system. Once a contact is added from the system it was send automatic emails. You can also see the status of the emails after they were sent.

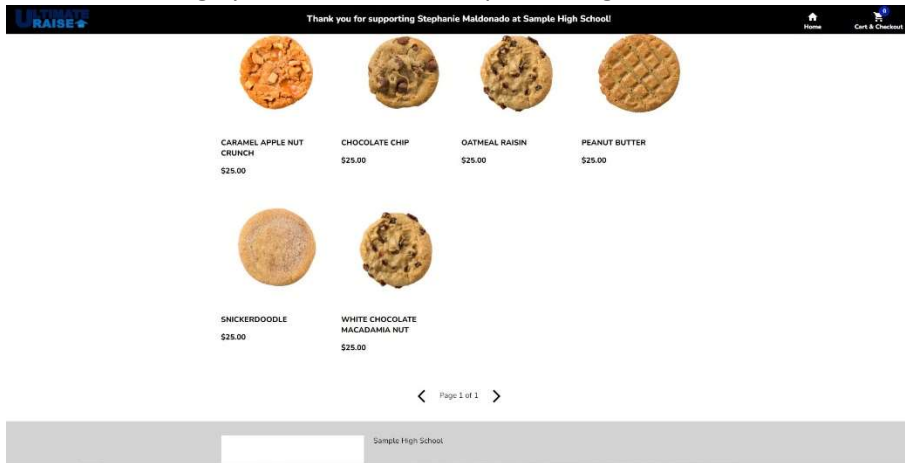

Using the Share button, they can create a custom link to email, text, or post on social media.

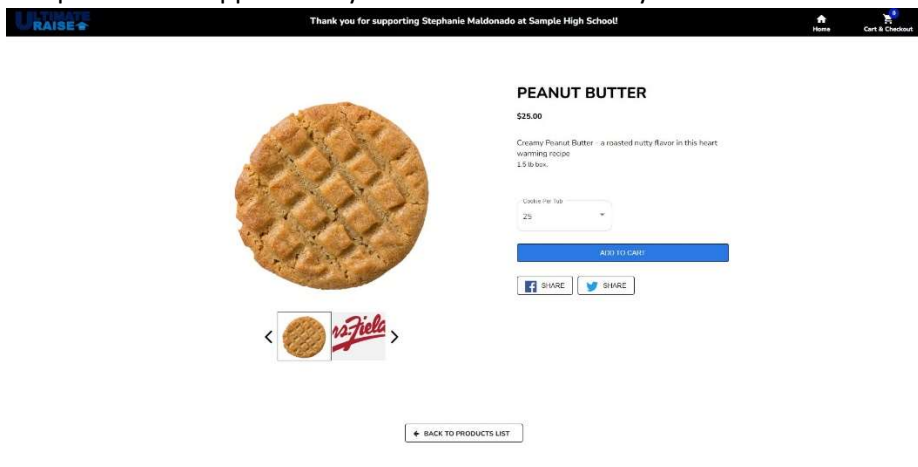

Click on the shop now screen to shop. This is the screen shoppers will see when shopping. The only difference will be the seller name and image will appear in the place of the Mrs. Fields image. A pop up window will appear giving the guidelines.

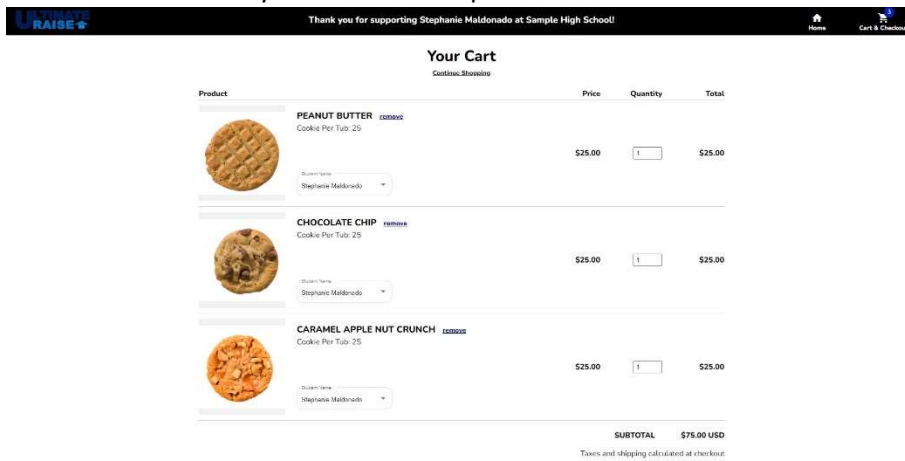

Click on the image you are interested in purchasing.

The product will appear and you can add the item to your cart.

Add all of the flavors you would like to purchase to the cart.

When your cart is complete scroll down and click on the blue checkout button.
